

LOCAL EDUCATIONAL VISITS

*Form for parental consent for a child to take part in local educational visits
(to include nature study and local history walks, visits to local churches, farms, etc.)*

I wish my son/daughter _____

to be allowed to take part in any school organised local educational visit during his/her time at St Mary's which might take place during the school day and which is within walking distance of the school.

I understand that I may not receive prior notification that the visit is to take place, but that any such visit will be properly supervised, and that those supervising my child act in loco parentis and must exercise a standard of care that would be expected of a reasonably prudent parent. Surrey County Council will not be responsible for any personal injury or other damage unless it is negligent.

I certify that so far as I am aware, my son/daughter is medically fit to undertake any such visit and that there are no know reasons why he/she should not do so. I authorise medical treatment to be provided should this become necessary during the course of the visit.
