✂ Sewing Stars- September 2018

At St Mary's there is an afterschool sewing club. The club runs **every** Wednesday in the launch Pad room from 3.30 to 4.45, at a cost of £8.50 per session. This cost covers all materials used for all the different projects. Spaces are limited and any unsuccessful applicants are given priority for the club in the next term.

After a biscuit at the start of each session, the weekly project will be explained. Support where necessary will be given by me and another helper as the children learn to sew, embroider or cross stitch their pieces. The projects will be planned to ensure the children learn and use a variety of different skills whilst making unique gifts for members of the family. Above are just a few of the projects that have been completed in previous years

Sewing Stars is a fun opportunity for your child to learn and use new skills, with an experienced parent and teacher. If you are interested, please return the permission slip as soon as possible.

The first class starts on 12th September

Kindest regards

Annie Brown
