

October 5th 2018

Dear Parents/Carers,

I will be offering an after-school homework club which will run in 3L from 3:30pm – 4:30pm every Tuesday starting on 30th October. Children will be offered a drink and a biscuit to keep their energy levels up!

I will be able to support children with any type of homework including spellings and we will have laptops so that they can log on to Mathletics or do research for projects or other homework. Places will be limited to 20, if there are more applications than this, I will draw all of the names out of a hat.

If you would like your child to take part, please complete the attached form and return it to me by Tuesday, 9th October 2018. I will notify parents if your child has been allocated a place.

Regards
