Encouraging Creativity & Imagination

After School Futsal Club

Dear Parent/Guardian

I am pleased to announce that an after school Futsal club will launch at St Mary's Primary School Junior in the New Year, for years 3 - 6.

What is Futsal?

Futsal is played with a half size ball; heavier than standard on a small court. Having a smaller playing area forces all players to fully participate to be involved, which in turn, fast-tracks the attainment of technique.

The sport places an emphasis on greater concentration, responsiveness, improvement of skillful dribbling, accurate passing and ball control. Moreover, Futsal generates an environment that demands players to think and act quickly whilst developing the all-important decision making techniques.

The best have benefited; Ronaldo, Messi, Neymar & Suarez, to name a few. You too can see the amazing work Futsal Elite provide as it celebrates "Creativity and Imagination".

Places on each session are for boys and girls but are limited to now 15 children between years 3-6 (boys and girls). Please also note that the sessions will take place on the ball court so students should bring appropriate warm clothing.

The club will take place every Thursday from 3.30 to 4.30 in the ball court. The first session will be on the 17th January and the final session will be 4^h April.

Prices:
£55 for 11 sessions

Money must be handed in to the school office in cash by 10th January at the very latest. Cheques are not accepted.

Yours in Futsal,

Kenny Rickelsford
