

E-safety talk – Thursday 17th January

Dear parents/carers,

St Mary's are very fortunate to have the Breck Foundation coming in to talk to parents about helping keep children safe online. The talk will be hosted in the infant hall on Thursday 17th January between 7PM-8PM and will follow with a question and answer session. *The talk is subtitle for both junior and infant parents.* The talk will cover a range of topics which will help keep your child safe in the virtual space. These include:

- Scraping the stereotype – we are all vulnerable.
- 'Stranger Danger' in the virtual space.
- What is grooming? How do we recognise it?
- Having that awkward parent-child conversation, gaining trust and sharing concerns about online safety.
- Where to find helpful resources/help each other.
- What to do if you are worried – how to report concerns and where.
- How to interact safely online – the lessons Breck's story teaches us.

Please note the talk is for adults only.

If you have any questions please feel free to email Mr. Menham –
