Dear parents/carers,

We are pleased to be able to offer an additional E-safety talk hosted by the NSPCC and O2. The talk will take place on Monday 13th May, 2– 3pm in the Infant hall. The content covered in the workshop is aimed at adults. Parents with children are advised to arrange childcare if possible. The talk *is suitable for both junior and infant parents*. You may want to attend if you were unable to attend the previous session or would like to find some additional information about keeping your child safe online.

The hour-long workshop will help parents, carers and other adults understand their child's online world, build confidence to have those important conversations that can help keep children safe online and help you know where to go for help and advice.

Until then, if you need any support or guidance about keeping children safe online, here are a few things you could do:

- Visit the NSPCC and O2 NSPCC website pages,
- Call the free **O2 NSPCC Online Safety Helpline** on **0808 800 5002**
- Download the Net Aware app on the App Store or Google Play
- Pop into your local O2 store for online safety help from a Guru – you don't have to be an O2 customer!
- Sign up to the NSPCC icebreaker email series.

.....
If you wish to attend then please indicate how many adults will be attending the E-Safety talk by sending a Dojo message or by returning this form to your child's class teacher by Monday 29th April.
