

MAY FAYRE PROGRAMMES

Dear Parents & Carers,

We are holding our annual **May Fayre on Sat 18th May 2-5pm.**

In order to publicise the May Fayre as widely as possible within the local community, a free programme will be distributed to all households in the parishes of Oxted, Tandridge, Limpsfield and Limpsfield Chart. We rely on pupils of St Mary's C of E Primary School and members of St Mary's Church to carry out distribution of the programmes. The programmes are in bundles of approx 30-40 and each bundle is clearly labelled as to where the programmes need to be delivered.

If you would be willing to allow your child to help with delivery please fill in the attached reply slip and return to either of the school offices (Junior or Infant) **by Fri 26th April.** Please note that it is not always possible for pupils to deliver in their own road.

Programmes must be delivered by Mon 13th May. If your child is unable to deliver the programmes please return the bundle to the school office.

If you have any queries about programme delivery please contact Mrs Valerie Adamson via the school office.

Yours sincerely

Mrs S Lewis - Headteacher

Please detach and return to either the Infant or Junior office.

I give permission for my child to deliver a bundle of May Fayre Programmes.
