Dear Parents/Carers

Invitation to Parents of Year 4 and Year 5 Pupils

I am sure many of you have already started to consider your options for secondary schools. As your local community school, we would like to help you in this process by speaking with you about the next stage of education for your child.

I would be delighted to meet with you at St Mary's Primary School on Thursday 9 May at 6.00pm to speak with you and your child to introduce myself and speak about the range of opportunities to students on offer at Oxted School. During the session there will be an opportunity to ask questions. Copies of the school prospectus will be available for you to take away and read at your leisure.

I will be accompanied by members of the Transition team and some ex-students of St Mary's Primary School who will be able to talk to your child about how they have settled in at Oxted and their experiences of their first term.

I look forward to seeing you on Thursday 9 May at 6.00pm.

Yours sincerely

Mrs A McNamara
Assistant Head (Transition)
