Dear Parents/Carers,

It is time to begin to think about the yearbook! Now a part of Year 6 tradition, the yearbooks will be printed and distributed before the end of the summer term and they are a wonderful keepsake of your child's time at St. Mary's and a lovely way of remembering their cohort. The books are hardback with approximately 80 pages of high-quality photos and memories.

All children have their own profile section and we encourage everyone to upload as many photos as possible that may be included in the book. Regarding photos, please can you ensure that:

- Permission has been sought from all those in the photograph before uploading
- Only children in Year 6 from St Mary's should be in the photograph
- It's great to have a mix of recent photos and photos from previous years including baby photos for a 'guess who' page
- As photos are uploaded please tag friends and put them in the appropriate category
- PROFILE PHOTOS! – Make sure they are of good quality, recent and preferably close up. Please do not use filters that alter your appearance

The children have been given a login and a password to access their own profile. They need to add photos, update their profiles and participate in the year votes. The children have until the end of May to complete this.

The yearbook can be accessed on <https://allyearbooks.co.uk/> using their login and password.

Yearbooks are priced at £14.00. Should you wish to order please indicate on the slip below and include payment or pay via Tucasi.

If you have any questions regarding the content of the yearbook please don't hesitate to contact me.

Yours sincerely,

Miss K Greenwood
