

St Mary's CofE Primary School Sports Premium Impact, 2018-2019

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>Sports week has taken place and has been a huge success, giving all children in the school a wide range of new sporting experiences. This has resulted in children taking up new sports out of school, as well as being in the process of new external groups arranging afterschool extra-curricular clubs for St Mary's children.</p> <p>Equipment for KS1 to develop fine motor skills and large scale movements in the outdoor classroom has been purchased and is in place, with children having daily access to.</p> <p>Introduction of PhysiFun club at lunchtime, to offer guided active play to years 1 and 3. This is organized and lead by the expanded sports crew. The children greatly enjoy the games and working with the older children. The sports crew have grown in confidence and are now taking the majority of the sessions independently. Tri-golf equipment will be purchased to introduce a second lunchtime club that the next sports crew can run.</p> <p>Increased numbers of children taking part in both extra-curricular clubs and competitive sporting events, through use of new floodlights all year round, staff availability, new clubs and extra tournaments.</p> <p>Both KS1 Sportsmark and KS2 Gold Sports Mark have been achieved.</p>	<p>Repeat sports week, inviting a wider range of 'new' and unfamiliar sports. Encourage these groups to run clubs after-school. Continue to arrange clubs from this year's visiting groups.</p> <p>Purchase sports kit for children attending tournaments and teaching staff, increasing the profile of school sport and the number of children taking part within events.</p> <p>Renew playground equipment in both KS1 and KS2 to ensure children are having 30 minutes active play each day.</p> <p>Embed sports leaders' Physi-Fun club and train them to also lead tri-golf club, adding a new sport available at lunchtime.</p> <p>Renew sportsmark and gold sports mark award, aiming for platinum award the following year.</p>

Meeting national curriculum requirements for swimming and water safety	
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	98%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	90%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	98%

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2018/19	Total fund allocated: £20,740	Date Updated: July 2019		
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 24.1%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Sports week encouraged greater physical activity – see KI2. Equipment to develop fine motor skills and large scale movements in the outdoor classroom that children can have access to daily. Physical equipment will be stored effectively to ensure that physical opportunities are available to the children throughout their days and within their learning. PhysiFun club has been introduced – see KI4 Sensory equipment bought to target SEN children and ensure inclusion in sporting activity. Children to be targeted daily to ensure 30 minutes of physical development is met. Expansion and renewal of sporting equipment.	See KI2. Equipment targeting physical development in the EYFS and KS1 Curriculum to be used and maintained in their outdoor areas. See KI4 Order sensory Sporting equipment. Order equipment that needs to be replaced, as well as introducing new sports to the curriculum.	£1125 – Shed £1139 – Resources £500 £2234.52	See KI2. The children now have access to quality outdoor provision that works on both their fine and large motor skills daily. The environment is very successful and teachers have already noted the improvement, especially in those struggling in this area. To be evidenced when put in place. All sporting equipment for a wide range of curriculum and extra-curricular activities is well used.	See KI2. The environment will continue to be accessed by next year’s children. This will help greatly with transition and will get a head start for those starting the EYFS. Next step: to continue to use this environment for physical activity daily. To add to resources when needed. Ensure equipment is properly maintained and renew as appropriate.

Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement				Percentage of total allocation:
				23.8%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Sports Week to encourage a healthy lifestyle & daily activity, both in and out of school (also KI1 & KI4)	Organise sports week to include a wide range of 'new experiences' and local sporting clubs to lead workshops to all children.	£2977	Children have had broader experience of a range of sports and activities offered to all. Local clubs now have increased numbers of St Mary's children attending.	Continue links with local clubs and repeat a similar event next year, with a wider range of 'new' sporting events.
A drive to include more children in sporting tournaments, festivals and events, with a wider range of tournaments, festivals and events to be offered. (See KI5)	Renew the sports partnership with Oxted School. Entry fees to some tournaments required. Supply cover for attending member of staff sometimes required, plus organization of events time.	£1800	Increased number of children taking part in events, both in key stage 1 and key stage 2. We are now able to offer B and C team tournaments in some sports.	Continue to enter these tournaments through partnership with Oxted School (KS2) and infant local schools group. Enter more 'festival' style events for introducing new sports and for less active children, as well as B and C team and inspire events.
Continue with the high profile of dance within the school over previous years. Introduce dance led maths sessions to promote sport in a cross curricular fashion.	Dance clubs offered to all year groups. Opportunities to perform at a number of shows. MMM workshops introduced to all classes.	£3000	All classes in the school taken part in MMM dance workshops, which allow staff to lead similar sessions with their own classes.	Continue with the success of this year by repeating similar dance opportunities.
KS1 outdoor learning environment – See KI1	See KI1			See KI1
Apply for Key Stage 1 Star Mark to increase profile of sport in Infants.	Apply for Star Mark	£160	Silver Mark achieved in Key Stage 1 Star Mark. This has motivated the children and increased the profile of sport throughout the school.	To begin to work towards Gold Mark.

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				0%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Observation of professional coaches during sports week – See K12	Staff to observe and take part in leading of sporting sessions, led by professional coaches.	(See K12)	Increased confidence in a range of familiar and new sporting activities.	See K12

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation:
				7.4%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Sport Week planned for summer term (See K12)	See K12.		See K12.	See K12.
A drive to enter all possible sporting tournaments, involving as many children as possible. (See K12)	See K12		Increased numbers in extra-curricular activity. See K12 for details.	Explore further 'festival' style events for the teaching of sports before competition style games. This is to be explored at local network meetings.
Train a new and larger group of sports leaders, and implement PhysiFun Club (See K11)	Take year 6 sports crew to leadership training. Provide opportunity for gifted and talented leaders to take part in Active Surrey's leadership academy. Implement PhysiFun club for year 1 & 3.	£540	Twenty year 6 children have been trained as sports crew. Five children have taken part in the leadership academy. The sports crew have had a wide range of leadership opportunities, including ownership of the PhysiFun club for years 1 and 3.	Repeat the success of this year's sports crew with the new cohort. This to begin in the summer term so there is an overlap and clubs can begin in September, rather than wait for training to be completed
Trigolf to be introduced as a lunchtime club run by Sports Leaders.	Order equipment and train Sports Crew.	£400	This is to be introduced with the new sports crew in the 2019-2020 academic year.	To be evaluated following implementation.
Offer Netball coaching sessions to all of upper Key Stage 2.	Book netball coaches for training sessions, which are open to all of year 5 and 6, before extending to pre-tournament training sessions (K15)	£592	Increased numbers taking part in training sessions, before three teams were taken to the district tournament, two advanced to the south east Surrey tournament and one competed in the county finals.	Repeat the success of this net year.

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				44.6%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
A drive to include more children in sporting tournaments, festivals and events, with a wider range of tournaments, festivals and events to be offered (see KI2).	See KI2	See KI2	A greater number of children taking part in extra curricular competitive sporting activities. See KI2 for further details.	Continue to enter these tournaments through partnership with Oxted School and enter more 'festival' style events for introducing new sports and for less active children.
Continue to build on the high profile of dance within the school over previous years by involving all year groups. (See KI2)	Offer dance clubs to all year groups. Offer opportunities to perform at high profile events	See KI2	Dance clubs were offered to all of key stage 2, with performances at local theatres and school shows.	
Enter Key Stage 1 multi-skills competitive event	Pay Limpsfield School for organization of event	£25	Different children to attend each event. Children have loved this event. It has introduced them to a new set of skills and techniques which have been bought by a wide selection of adults	To continue attending multiskills events next year.
Purchase portable flood lights to allow all year use of MUGA	Purchase flood lights. Clubs to continue throughout winter. To host sporting competitions in the winter.	£4586	Internal clubs and competitions are able to continue through the winter months. Local junior sporting clubs are also able to use the facility and partnerships with local clubs have been created. Increased numbers of teams were able to take part in the football tournament this year due to use of floodlights.	Ensure upkeep of floodlights. Repeat the extra tournaments throughout the winter months using the school facilities. Maintain close partnerships with local sporting clubs and offer opportunities to school pupils.
MUGA payment previously allocated.	Make final allocated payment.	£1781.88	As above – increased use throughout winter months.	Facility is now in full use and upkeep is managed by school budget.
To facilitate participation in out of school competitive events and pay for cover	Subsidise transport as required. Pay cover teachers	£182.54 £2700	Children are able to attend a wider range of events, with more staff	Maintain next year to allow increased participation to

teachers for event lead teachers to plan and attend sporting events.			available to attend fixtures and tournaments.	continue.
