

Friday 13th September

Dear Parents and Carers,

We hope you have had wonderful summers! As you are aware, this year Class 6MG will be taught by two teachers. We will endeavour to keep communication clear and as open as possible so that you and your children have a smooth and successful Year 6.

Mrs Mance will be in class on a Monday, Tuesday, Wednesday (am). Miss Greenwood will be in class on Wednesday (pm), Thursday and Friday. Year 6 teachers meet as a team on a Thursday afternoon. During that time the class will be covered by Miss Kate Wylie (various foundation subjects), Mrs Suzanne Wallace (investigative maths) and Ms Fatima Argiolas (French).

If you wish to contact us you can do so via letter, homework diary, class dojo or email. Class dojo will not allow you to message both of us at once so if you wish to communicate with both of us at the same time please use our email addresses. Please note that any absences or messages that require urgent response should be sent to the school office email (with class teachers copied in).

We look forward to meeting you at parents' evening but please do get in touch before then if you have any questions or concerns.

Yours sincerely,

Miss K Greenwood & Mrs A Mance
