20th September 2019

Dear Parents and Carers,

Thank you for your support and patience as we have got ourselves going for the new school year. It was lovely to see so many of you at our information sessions. All the materials shared can be found on the website: presentations in the 'letters' section for your year group, and information sheets on the year group pages. Please do read them and share them with your children. Above all remember that if you have concerns email the class teacher. It is better to act early on small things than let things build up.

I appreciate that the building works have made pick-up times at the Juniors particularly stressful for you (especially our new parents) and that what we see as 'safely controlled organised chaos' might feel plain chaotic and unsafe to some of you! We can confidently predict that, despite our best efforts, on any given day there will be children who have not listened and wandered off track a little – and we have systems in place for scooping them up. The building works are on track for completion during the half-term holiday and we should be coming back to a clear site. In order to facilitate this there will be some further minor disruptions during the coming weeks.

CHANGES TO ACCESS TO SITE

Wednesday 25th September – Friday 27th September

Surrey have agreed to fund an upgraded path to the MUGA - which is great news!

Sunninghill need to excavate the route and install the stone base – starting on Wednesday 25th September (hopefully finishing on the Thursday, but maybe needing a bit of Friday too.)

THEREFORE, there will be NO ACCESS to the MUGA and NO ACCESS from the Infant site to the Junior site on the above mornings or after school.

Year 3 and 4T should go to the ball court as usual

All other children should enter via the gate near Chichele Road and gather on the inner playground and the grassy areas by the side of the building

Thank you for your understanding

Best wishes

Sarah Lewis
