

Lego Club at St Marys Primary has a few places for January

Dear Parents/Carers

We are enrolling for January club and have a few places for our Wednesday lunchtime & after school sessions.

Brickplayers Lego club is where children can get creative with Lego and Lego Friends with their classmates following themes & school topics. We are starting to introduce Lego BOOST (robotic Lego using coding) which is exciting!

The first session will take place on the week commencing 6th January and will run for 12 weeks. The cost is just £4.50 a session payable termly.

Lego Club is very popular so to avoid disappointment please complete and return the form below and return directly to the school reception asap as **places will be limited.**

If your child is successful, you will receive a text to confirm with payment details. If your child is not successful in getting a place this term he/she will be placed on the waiting list.

Yours sincerely,
Mrs Welsh
