

COVID-19 Risk Mitigation: Adult visitors to St Mary's School

In order to safeguard all people on site we ask that all adults comply with the following procedures

In line with Government guidance for all citizens:

- Self-isolate if showing any symptoms of COVID-19, however mild
- Wash hands regularly
- Wear a face covering on public transport, and in any situation where social distancing is not possible

On the school site:

- Do not come to the site if you have any COVID-19 symptoms
- Use hand-sanitiser immediately on entry
- Keep 2m away from all people on site
- If you cough or sneeze place the tissue straight into a blue bin and immediately wash your hands
- If you begin to feel unwell on site immediately report this to the office and we will support you to maintain isolation until you can leave the site

For those attending for meetings or interviews

- Any refreshments offered will be prepared following strict hygiene measures, and no utensils will be shared
- Any shared computers and equipment will be disinfected before and after every use
- If visitors prefer they may bring their own refreshments

Thank you for supporting in us in keeping our school a COVID-free environment
