

## Overload!!!

1<sup>st</sup> October 2020

Dear Parents and Carers,

I'm really sorry because I realise that we have gone too far into over-drive and overloaded you with requests just at the moment!

### Keeping warm and dry:

We are all getting rather cold in school, and there is a lot of rain forecast in the next few weeks. I am worried that when children come in in their PE kits they are in shorts. I know we have asked you to provide tracksuit bottoms and fleeces – but these do NOT need to be school uniform versions if you don't have them. Equally for rain coats – I just want them to be able to play outside, so if you can persuade them to bring a coat backwards and forwards to school that is fine.

### Chromathon:

You have been phenomenally generous already. I know we have put out requests for hamper donations, and are promoting the concert, but please don't let this be a pressure. If it helps please see the concert as my gift to all of you who have donated already – and a chance for those of you who have not yet donated to listen/watch and decide. Those of us who are performing (and the wonderful Barn Team) are excited to be working together - though a little terrified – and it will be different than anything we have done before as a school. Please feel free to watch the stream and just enjoy.

### Harvest

Again please be pragmatic. It is a way of giving to our community – but collectively we have done a huge amount already this year through the Fun Run and the way we are gathering donations this year will mean that you should ONLY give if this is something you can manage. No one is checking!

### Governors Fund

Sorry – this is an annual request, which as a Church school we do have to send out, but I can see that the timing has been really bad!

As a community we are all trying really hard, but we can only do what we can do. Let's try and keep talking, think flexibly and keep smiling.

Thank you for your support  
Best wishes

Sarah Lewis
