# St Mary's Oxted After School Futsal Club

**We are pleased to announce the After School Futsal Club is back for the Summer Term!**

Each Footballer strives towards different milestones. But they all start somewhere and many of the world's best started with Futsal. Futsal is intense & exhilarating, as defence turns into attack at breath-taking speed. Futsal is played with a half size and heavier ball on a small court. Having a small playing area forces all players to fully participate and be involved, which in turn fast-tracks the attainment of technique.
