

Cooking up a Splash: See your recipes in print!

Are you a budding chef? Do you have a recipe for a much-loved family favourite dish and want to see it in print? Here is how to get it published...

The Friends of St Mary's School is creating a fundraising cookbook to raise money for our Splash for Cash swimming pool appeal, but we need your help.

If you would like your recipe to be included, please submit all the details here:

<https://saronti.com/smoxted>

Password: S1m&Ry

All recipe types welcomed – simple starters, mouth-watering mains or delicious bakes and deserts. Whatever your signature dish, we would love the recipe.

Submission deadline: End of August 2021. You have the full school holidays to get cooking or baking! The books will be professionally designed, published and hopefully available for sale early in the new school year. Info on how to order copies will be available in due course. Any questions, contact either lucy_luscombe@yahoo.co.uk or smoxted.pta@gmail.com

Please note:

- 1) Please only submit your own recipes. We need to be mindful of copyright and image permissions. By submitting a recipe, you are confirming, the recipe is written in your own words rather than directly copied from a cookbook / website and that we have permission to use imagery submitted, whether that be of your child or the dish created.
- 2) The intention is to use all recipes submitted, However, if we receive multiple submission per child, duplicate recipes or encounter copyright issues, there may be unavoidable exceptions. If your recipe is not going to be included, we will of course let you know using the contact details provided.

**Let's dive into this in true St Mary's style
and turn pot noodles into pool noodles!**
