About Premier:

Premier is the largest children's coaching company of its kind in the UK, delivering to over 9 million children in the last 12 months alone. Premier have been delivering high quality sport, performing arts and wellbeing sessions to children since 1999. We support teachers in their curriculum delivery and provide parents with an invaluable service before, during, and after school, as well as during holiday periods.

Premier at St Mary's Primary School:

We have been supporting the physical education and extra-curricular provision at St Mary's Primary School for the last few years delivering before school clubs, after school clubs and holiday camps. With the school striving for excellence they want to provide a high-quality wraparound care for working parents. We are delighted to be providing Premier Wraparound care on the school premises, which will be an extension to the school day and reflect the school ethos and high standards.
