Online safety – Computing lessons Year 5

Dear Parents and Carers,

Over the next six weeks your child will be learning about online safety and online grooming. Therefore, we will be using the book 'This is Breck' as our focus.

This book is aimed to introduce the children to online grooming issues around internet safety. It is based on the true story of Breck Bednar. Breck was a 14 year old boy who was groomed and murdered by a 17 year old who Breck thought was his friend.

Your child may have further questions over the coming weeks and my want to discuss what happened to Breck. There are lots of interviews and information online and on social media about Breck and you may want to filter what is seen and read by your child.

A story book version of 'This is Breck' is available online or you can find out more about the work of the charity and Breck from the Breck Foundation website <http://www.breckfoundation.org>

Please get in touch with me or your child's class teacher if you have any questions about this scheme of work.

Kind regards,

Angela Mance
