

4th October 2022

### Y6 TANDRIDGE JUNIOR CITIZEN WORKSHOPS Wed 19<sup>th</sup> October

Dear Parent/Carer,

We are pleased to be able to take part in this year's Tandrige Junior Citizen Scheme. This will teach children about important issues such as:

- health and wellbeing
- the importance of physical activity
- personal safety
- water safety
- safety on the railways
- electricity safety
- gas safety
- the dangers of carbon monoxide
- drug and alcohol awareness
- the dangers & consequences of criminal damage
- being wildfire aware in the countryside
- what to do if a fire is encountered
- making a 999 call

The workshops will be delivered by local safety agencies such as Children and Family Health Surrey (School Nurses), Network Rail & GTR/Southern, UK Power Networks, SGN, Hope UK, the Thames Basin Heaths Partnership and the RNLI. The event is coordinated by Child Safety Media. This will give pupils the unique opportunity to learn valuable skills from the professionals, through practical demonstrations and discussions in real life situations.

The event will be held at Lingfield Park Racecourse during the school day and St Mary's School is covering the cost of the sessions and transport. The children will be having lunch at school as normal.

**Please complete the permission slip below and return to your child's class teacher by Friday 14<sup>th</sup> October**

*Sahrah Chaudhri*  
*Assistant Head & Designated Safeguarding Lead (DSL)*
