

Dear Parents/Carers,

Your child has expressed an interest in the after school STEM (Science, Technology, Engineering and Maths) club. The club will run weekly on Thursdays from 3:20-4:30pm from the 13th November 2025 in Willows Class.

Each session offers children the opportunity to learn STEM through hands-on challenges by exploring the world around them. We will be working towards achieving a 'Crest Award'. The CREST Awards scheme is the British Science Association's flagship programme for young people, providing science enrichment activities to inspire and engage 5-to-19-year olds.

At present there will only be 20 places at STEM Club and therefore priority will be given to the Year 6 children who have shown an interest and to those who sign up first. There will be a waiting list and hopefully everyone that showed an interest will get an opportunity to attend.

Please ensure arrangements are made to collect your child from the green gate at 4:30pm. Clubs will run up until the penultimate week of term unless otherwise communicated. Should a club have to be cancelled for any reason, a text message will be sent out as soon as possible.

Autumn Term dates will be:

13th November

20th November

27th November

4th December

11th December

If your child is unable to attend the club, please make sure this is communicated to us.

Yours sincerely,
Dr Julia Nash
Miss A Biset
Club Coordinator

I give permission for my child _____ class _____

to attend the after school STEM club.

I will make arrangements for my child to be collected from the green gate at 4:30pm.

Signed _____ Date _____
